VGEA Membership: Essential For Your Success!

In Virginia, your salary and benefits aren't set in stone—they're determined by the General Assembly, not your agency. That's where the VGEA comes in. We advocate for you to get the best pay, benefits, and work conditions possible. Your dues pay for staff and professional lobbyists who advocate on your behalf.

We Advocate For You & With You!

- **Influence Career-Impacting Decisions:** Through the VGEA, engage with legislators, participate in our Legislative Day, and help shape policies that affect you and the future of state employment in Virginia.
- **Get Exclusive Updates:** Stay ahead with exclusive, member-only email updates with crucial insights into legislative developments that directly impact you.
- **Community and Networking:** Connect with peers at our fall Annual Meeting, engage with our online community, and exchange ideas that shape your work environment.

With the VGEA, you're investing in a community that fights for your rights, your pay, and your career growth. And with payroll deductions, it's seamless—set it and forget it, while we handle the heavy lifting.

Just \$3 a week via payroll deduction!

For just \$3 per week—less than a daily coffee—you gain access to expert lobbying, professional guidance, and a community that's got your back. Plus, with the convenience of payroll deductions, you won't have to lift a finger to make a big impact.

Real Results!

Since 2019, we've helped secure a remarkable 31% increase in state employee salaries. This isn't just talk—it's real, measurable progress. We help ensure that your hard work translates into the recognition and rewards you deserve.
